Dear parents/carers,

UNION STRIKE ACTION

You may be aware from the media that the National Education Union (NEU) has announced that its ballot of members has met the threshold required to commence industrial action. NEU staff will have the option to strike. The action will take place on **1st February, 1st, 15th, and 16th March**.

The strike is happening because of a national dispute between the unions and the Government over teachers' pay and not because of any issues with the school.

There may be a possibility that some areas of our provision will be affected. It is likely that the school could be closed to some or all children. As yet, I am unable to confirm this.

We are considering several options to cope with any disruption and will be communicating this to you as soon as possible.

I'm sorry about the potential disruption to you and to your child's education. I understand that this situation may be frustrating and ask that all members of our school community continue to treat each other with respect. West Park School remains committed to providing a safe and secure environment for our pupils and delivering high-quality teaching.

Yours sincerely,

A Kabil (Mrs)
Head Teacher
