Reading groups

Please ask your child what their reading group book is

GEOGRAPHY

Children will be learning all about mountains & volcanoes They will be thinking about the following questions;

- How do people farm on mountains and what are the benefits/consequences of this?
- How were fossils found on one of the most famous mountain ranges in the world?
- Why do people live near to volcanoes?

DT

Children will be researching, designing and cooking their own energy bar! They will consider bars that are already on the market and how they will make theirs stand out!

They will be creating it for a mountain climber!

FRENCH

Les Vetements- children will be learning about clothes.

SCIENCE

Evolution and Inheritance

Children will carry on learning about how animals and plants have evolved over time.

They will also consider to what extent animals/plants are adapted to their environments. They will also be learning about **electricity**. We will explore which materials conduct or block electricity, experience building simple circuits and understanding why it's important to be safe with electricity.

Home Learning

- **Mymaths** – set weekly
- **Read everyday** – this may be their reading group book or a reading for pleasure book. Children should note down all books they have read in their reading record.
- **SPaG.com**- set weekly
- **TT Rockstars** – The expectation is that children must know all their times tables up to the 12 times table by the end of year 4!

RE

What will make Wolverhampton a more respectful Community?
