HEADTEACHER: Azizan Kabil

17th April 2024

Dear Parent/Carer(s),

As part of our school's Personal, Social, Health and Economic education (PSHEe) lessons, in summer term children in year 6 will be covering topics within a 'Growing Up and Relationships' unit.

To teach these lessons we use a combination of resources from the City of Wolverhampton council and also resources from a specialist PSHE provider called 1 Decision. The 1 Decision PSHE programme has been quality assured by the PSHE Association and is used by many schools across the UK.

Year 6	Puberty
	Relationships
	Conception and Birth of a baby.
	Safe relationships
	Support Networks

The themes covered within this unit of work are all part of the statutory requirements for Relationships and Health Education which the government says all schools in England need to deliver to children in primary school.

In line with our school RSE policy, in addition to this content children in year 6 will also be taught a lesson covering conception and the birth of a baby. For this lesson only parents have the right to withdraw their children. Parents who wish to withdraw their children for this single lesson must sign and return this slip below. We will then contact these parents to discuss this.

You might want to take the opportunity to take the time to talk to your children about these topics at home before the work is covered in school. Remember you can access our RSE policy on the school website which will provide you with more information about what will be taught.

As with all our PSHE education programme, we really value the learning that these lessons give our pupils. If you have any questions regarding these or other topics taught within PSHE, then please contact the school.

Yours sincerely,

A Kabil (Mrs)
Head Teacher

....

My child's name...

I would like to withdraw my child from the additional Sex Education lesson being delivered in year 6.

Signed ....
