Dear Parent / Carer,

Raising Online-safety awareness: The importance of knowing the dangers on the internet

Wednesday 24th May 2:00pm-3.00pm

As part of our on-going commitment to improving communication with parents, you are warmly invited to an online-safety awareness workshop on **Wednesday 24th May** between 2:00pm and 3:00pm provided by an expert in this area – Dave Taylor.

At West Park, we recognise the difficult challenges young people can face, we aim to provide them and yourselves with as much key information as possible to empower them to become safe users of the internet and mobile devices.

The main purpose of the workshop will be to learn about specific online concerns and dangers, which your son/daughter may face or be exposed to, and to find out how you can minimise the risks.

We hope at the end of the workshop you will feel you have a greater understanding and knowledge of the dangers your son/daughter may face and know where to go for help and advice if you have concerns.

Everyone who attends will be entered in a draw to win shopping vouchers.

Don't miss out on this great opportunity.

Please fill in the slip below if you would like to attend. We need a minimum of 20 parents for this to take place.

Yours sincerely,

Mrs Andrews (Deputy Head)
