HEADTEACHER: Azizan Kabil

21st March 2024

Dear Parent/Carer(s),

As part of our school's Personal, Social, Health and Economic education (PSHEe) lessons, in summer term children in years 1 and 2 be covering topics within a 'Growing Up and Relationships' unit.

To teach these lessons we use a combination of resources from the City of Wolverhampton council and also resources from a specialist PSHE provider called 1 Decision. The 1 Decision PSHE programme has been quality assured by the PSHE Association and is used by many schools across the UK.

The lessons in years 1 and 2 cover a range of topics such as friendships, healthy relationships and growing up in an age-appropriate manner, and help to keep them happy, healthy, and safe.

The following themes will be delivered to children in Key Stage 1:

Year 1	People who are important to me, families and care, special people, similarities and differences, how we change, personal hygiene.
Year 2	Feelings, being loved and cared for, differences, male and female, naming body parts, asking for help and keeping safe.

The themes covered within this unit of work are all part of the statutory requirements for Relationships and Health Education which the government says all schools in England need to deliver to children in primary school.

You might want to take the opportunity to take the time to talk to your children about these topics at home before the work is covered in school. Remember you can access our RSE policy on the school website which will provide you with more information about what will be taught.

As with all our PSHE education programme, we really value the learning that these lessons give our pupils. If you have any questions regarding these or other topics taught within PSHE, then please contact the school.

Yours sincerely

A Kabil (Mrs)
 Head Teacher
